When a Child Needs a Laxative!
Your child should like this tasty liquid laxative and you should like the gentle way it usually wakes up a youngster's lax intestines when given by the simple directions.

SYRUP OF BLACK-DRAGHT contains the same principal ingredient which has enabled its older brother BLACK-DRAGHT to give so many users such satisfying relief for so many years!

Perhaps that's why it usually gives a child such refreshing relief when the familiar symptoms indicate a laxative is needed.

SYRUP OF BLACK-DRAGHT comes in 2 sizes. The introductory size is 16; the economy size is 32c.
